

NEW MEMBER NICHOLE HOLLAND

Introducing a new FWP member of the Michigan Chapter! Please welcome Nichole Holland; some of you met her at the holiday party in December. Nichole's hometown is Algonac, Michigan. She is currently a full-time student in Western Michigan University's Aviation Flight Science program and is training in a Cirrus SR-20. She soloed on July 7m 2006, passed her written exam in November and is getting close to her PPL checkride.

Nichole is a member of Women in Aviation and Civil Air Patrol, and also volunteers for many community activities. Nichole first became interested in flying when she took a ride in WMU's aircraft during an aviation camp; she knew then that it was what she wanted to do for the rest of her life. Her goal is to make a living doing what she loves: FLYING!

*Nichole's email address is nichole.b.holland@wmich.edu
Please join Nichole's Guardian Angel, Rebecca Duggan, in welcoming this Future Woman Pilot to the Michigan Chapter Ninety-Nines.*
